Bross reported that [] is writing an article on overhead reconnaissance for Foreign Affairs which he wants to clear with the Agency. He will send the manuscript to Bross, who proposed to pass it to DD/S&T. The Director said that he will consider this matter further after the article has been examined.

DD/S&T reported on a briefing on the Soviet space program which he gave to NASA personnel. The Director asked DD/S&T to report at the Morning Meeting on any future requests for such briefings before they are executed. DD/S&T discussed the security problem evolving from the NASA reconnaissance program. The Director asked for a general discussion of this at 1015 this morning.

DD/S&T alerted the Director to the loss of a former U-2 pilot over North Vietnam.

DD/P gave the Director the paper he requested involving Agency personnel in Europe.

The Director noted a suggestion by [] and said that now is the time to pull together any unresolved problems with DOD and the services for presentation to the new Deputy Secretary of Defense.
